

NEWS LETTER

JUNE 2025

✿ Back to School – A Joyful Start @ Johnson Grammar School! ✿

The corridors of our school came alive with laughter, excitement, and energy as students from kindergarten to Grade 10 returned to school after the summer break. The much-awaited Back to School Week was filled with warmth, enthusiasm, and a series of engaging activities that welcomed students back into the vibrant world of learning.

Our tiny tots in kindergarten were greeted with balloons, story sessions, fun games, and music that made their first day memorable and comforting. The primary students (Grades I–V) dived into a world of creativity with classroom decoration, creative games, and interactive sessions that set the tone for a happy and safe learning space.

Grades :VI –X enjoyed a mix of motivational sessions, fun quizzes, team-building activities, and reflection exercises that helped them reconnect with peers and teachers. A special assembly marked the reopening, with inspiring speeches by our Head of School, energetic performances by students, and an oath to embrace learning with joy and purpose.

This warm and inclusive reopening celebration was a perfect blend of fun, friendship, and focus—rekindling the school spirit and setting the stage for an exciting academic year ahead!

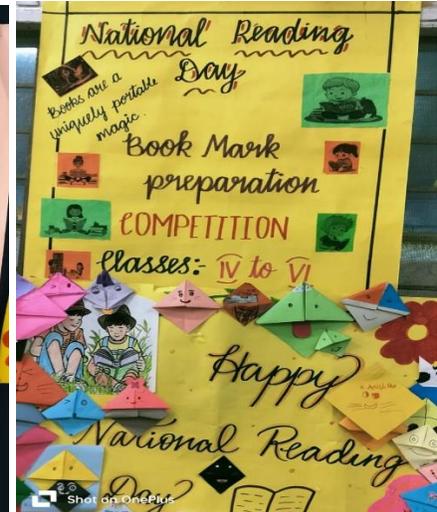

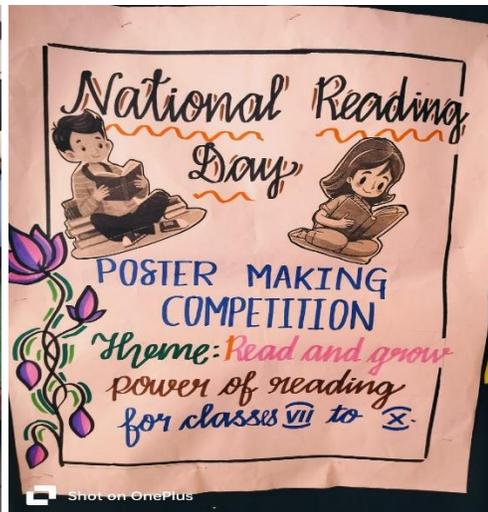

Celebrating National Reading Day

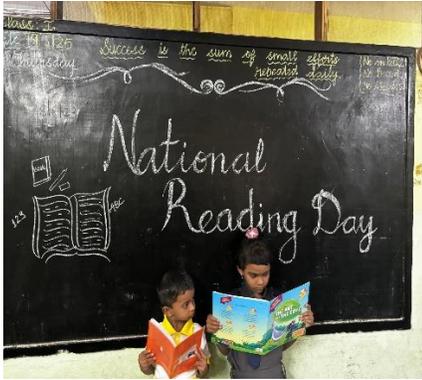

“A book is a dream you hold in your hands.”

Our school students joyfully celebrated National Reading Day in honour of Sri P.N. Panicker, the visionary behind the Library Movement in India. A special assembly was held to highlight the importance of reading, where students shared quotes, facts, and the legacy of Sri P.N. Panicker, inspiring everyone to make reading a daily habit.

To foster a love for books and creativity, students enthusiastically took part in a Poster Making Competition on the theme “Read and Grow.” Their colourful and thoughtful posters reflected the power of reading and its role in shaping young minds.

The celebration aimed to instil the joy of reading among students and reminded us that a book in hand is truly a step toward a brighter mind. Let us continue to nurture a reading culture that extends beyond the classroom and into our lives.

International Yoga Day Celebrations

On the occasion of International Yoga Day, we celebrated the spirit of health and harmony with a special assembly and yoga session. The event aimed to instill the value of physical fitness, mental peace, and inner strength among students.

The celebration began with a thought-provoking speech on the importance of yoga in daily life, followed by a graceful demonstration of various asanas by students across different grades. Breathing exercises and meditation techniques were also practiced, promoting mindfulness and concentration.

Students participated enthusiastically, dressed in white, symbolizing peace and purity. Teachers and staff members too joined in, making it a collective journey toward wellness. The event concluded with the chanting of 'Om' and a pledge to incorporate yoga into our daily routine for a healthier and happier life.

The Yoga Day celebration was a perfect reminder of the timeless relevance of ancient Indian wisdom in modern times.

🌻 Yellow Colour Day Celebrations – Kindergarten 🌻

"Let the colour of sunshine brighten your day and fill your heart with joy!"

Our kindergarteners lit up the campus with their radiant smiles and vibrant yellow outfits as they joyfully celebrated Yellow Colour Day. The entire environment came alive with shades of yellow — the colour that represents happiness, energy, and positivity.

Children engaged in a variety of fun-filled activities, including yellow-themed art and craft, games, and storytelling sessions that revolved around the theme of sunshine and cheer. Classrooms were beautifully decorated with yellow balloons, smiley faces, and creative displays, making the day a visual treat.

The celebration was a perfect blend of learning and joy, helping our little ones to recognize the colour yellow and understand its significance, while creating cheerful memories together.

It was truly a day where sunshine met smiles, and learning blended beautifully with fun! 🌻💖

No Bag Day Activities

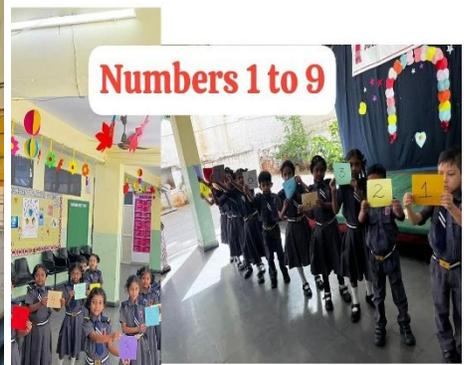

“Learning is not confined to books; it comes alive through experience and joy!”

Our students joyfully celebrated No Bag Day for students of Grade: I to IX, turning an ordinary school day into an extraordinary experience of fun-filled learning. The school campus was vibrant with excitement as students engaged in a wide array of interactive and experiential learning activities across subjects.

From creative challenges and hands-on experiments to storytelling, games, and art-based learning, every classroom transformed into a hub of joyful exploration. The day encouraged curiosity, teamwork, and out-of-the-box thinking, proving that learning beyond textbooks can be equally enriching and memorable.

The laughter, enthusiasm, and active participation of the students made No Bag Day a truly unforgettable experience — a day where learning met happiness!

Sprints & Relay Race Highlights

In a vibrant display of energy, enthusiasm, and sportsmanship, we recently organized Sprint Races for Grade: I to X and Relay Races for Grade: VI to X. The school grounds echoed with cheers as students dashed towards the finish line, showcasing their speed, stamina, and competitive spirit.

Each sprint race was a thrilling contest, with young athletes giving their best and inspiring their peers with their dedication and determination. From the enthusiastic first graders to the dynamic tenth graders, every participant displayed remarkable discipline and zeal.

The Relay Races for the senior classes added an extra element of teamwork and strategy, highlighting the essence of coordination, timing, and unity. The seamless baton exchanges and spirited cheering made the relays one of the most exciting parts of the event.

It was a day that not only celebrated physical fitness but also fostered values like perseverance, teamwork, and healthy competition.

"The race is not always to the swift, but to those who keep on running."
