PLANTATION DRIVE – “EK PED MAA KE NAAM 2.0”

On 04/09/2025

Our Hon’ble Prime Minister Shri Narendra Modi has initiated a noble campaign titled “Ek Ped Maa Ke Naam 2.0”. As a part of this programme, students and teachers brought saplings to school and planted. This drive inspires every citizen to plant a tree in the name of their beloved mother as a tribute to her unconditional love and care.

The programme not only strengthens the bond of respect towards mothers but also emphasizes our duty to protect the environment. By planting trees, we contribute to cleaner air, richer biodiversity, and a greener future for generations to come. The campaign encourages all of us to nurture these saplings as we nurture our relationships, making this initiative both emotional and environmentally meaningful.

This programme encourages everyone to plant a tree in the name of their mother as a symbol

of love and respect. Just as a mother gives us life and care in, trees give us clean air, shade, food, and a safe environment. By planting and protecting trees, we show gratitude to our mothers and also help our Earth become greener and healthier. This campaign reminds us that caring for nature is as important as caring for our families.

EDUCATIONAL FIELD TRIP

On 20/09/2025, The students of classes VIII to X went on an educational field trip to Chowmahalla Palace, Hyderabad, Telangana. The visit aimed to give us an insight into the rich cultural and historical heritage of the Nizams of Hyderabad.

As we entered the palace complex, we were awed by its grandeur and architectural beauty. Chowmahalla Palace, once the official residence of the Nizams, reflects a blend of Mughal and Persian styles. The palace is known for its magnificent Khilwat Mubarak (Durbar Hall) with an impressive collection of chandeliers and royal seating arrangements.

We explored the various courtyards, palaces, fountains, and lush gardens. The armory, vintage cars, costumes, manuscripts, and artifacts displayed in the palace museum helped us understand the lifestyle and governance of the Nizams. The royal collections, especially the cars and weapons, were fascinating for many of us.

Teachers explained the historical importance of the palace and its role in shaping Hyderabad's culture. We also learned how such heritage sites must be preserved for future generations.

The trip was not only educational but also enjoyable. We clicked photographs, shared experiences, and returned with a sense of pride in our history. Visiting Chowmahalla Palace helped us connect classroom knowledge with real-life learning and gave us memories to cherish. In conclusion, the field trip was a perfect blend of fun and learning, and it inspired us to value our cultural heritage.
